

A SPORTS THERAPY FACILITY FOR THE EQUINE ATHLETE

Strawberry Fields Fitness & Rehabilitation Facility

PHONE: 951.852.9613 E MAIL: kithallarabians@msn.com

REHABILITATION -- from past surgery to light training

LAY-UPS -- rest and relaxation from track life

SALE PREP -- yearlings and up

YEARLINGS AND BREAKING PROGRAM -- start up program , ground work, long lining, manners, problem horses, initial saddle training

CUSTOMIZED HORSE PROGRAMS -- We follow your rehab and lay-up prescriptions to the T!!!

Strawberry Fields Facilities include:

- 20 light and airy box stalls.
- 1/2 acre grass pastures and turn outs
- Covered sand paddocks
- Hot walker
- 60 ft round pen

We also have the **State of the art Equi-ciser**, rated as the top Equine exerciser by top professionals. The Equi-ciser is engineered and built to the highest safety standards. It features a wide range of speeds to increase or decrease training capabilities. The stalls are individual and the diameter is 72ft, making the Equi-ciser a particularly efficient way to keep racehorses fresh and fit between races.

STRAWBERRY FIELDS is centrally located with easy access to all the major Southern California tracks and Barretts sales. Just minutes from the 91, 60, and 15 freeways in the green belt of Riverside California.

STRAWBERRY FIELDS is owned and managed by Kit Hall, a consummate horseman for over 4 decades. Kit has been caring for some of the most winning and valued equine athletes of many breeds. His instincts and attention to details have built him an impressive reputation throughout the equine industry.
